

FOR INDEPENDENT DEALERS

Every lead. Answered in under **60 seconds**. Day, night & Sunday.

LotLink is an **AI BDC** that works every lead the second it lands — voice, text, and email — and books appointments while your sales floor is closing the deal already on the desk. Built and battle-tested at a real Indiana dealership. No contract. 30-day money-back.

CHANNEL 01

Voice that books

Jordan answers inbound, returns missed calls in **under 60 sec**, and warm-transfers buyers in market today straight to your floor.

CHANNEL 02

SMS with photos

First text out in **seconds** — by name, vehicle, and a real photo. Two-way, TCPA-safe, quiet-hours-aware. Replies route to *your* inbox.

CHANNEL 03

Email that closes

AI replies that sound like your best salesperson on their best day — **vehicle-aware**, signed in your name, sent from your domain.
